Queens Award Program Honors the Achievement

QUEENS October 21, 2016 -- Mystik Models Entertainment has been selected for the 2016 Best of Queens Award in the Advertising Specialties category by the Queens Award Program.

Each year, the Queens Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Queens area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Queens Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Queens Award Program and data provided by third parties.
